

Dear Parent/Carers,

Our spellings for Monday's quiz are:

duck	pick	talk	walk
cold	climb	steak	break

In English this week, we started a new unit of work looking at information texts. We studied these earlier in the year and wrote information texts about witches. Now, we are studying emperor penguins and learning lots of interesting facts about these. We are also learning more facts about a chosen animal which we will be writing about next week. The pupils have chosen to write about either a shark, a hedgehog, a tiger or fox. We have been researching lots of facts about these and we are looking forward to writing about where these animals live, what they eat and what they look like.

In Maths, we rounded off our work on reading scales by reading the different measurements of temperature, capacity, mass and length. We then compared some of the measurements to decide which were greater than, less than and equal to.

London is 10 °C  
 Edinburgh is 4 °C  
 Cardiff is 8 °C

Compare the cities using < > .

London \_\_\_\_\_ Cardiff  
 Cardiff \_\_\_\_\_ Edinburgh  
 Edinburgh \_\_\_\_\_ London

How many degrees warmer is London than Cardiff? 6 °C

Have a lovely weekend.

**Mrs Collins, Mr Bale, Mrs Gooseman and the Year 2 Team**
