

Reception Newsletter

Friday 27th March 2026

Dear Parents/Carers,

In Literacy this week, we have been continuing to read longer words by using the chunking method to help us. We have been focusing on words such as garden, mammoth and lightning. We have reviewed the tricky words they, all, by, my, are, sure and pure. This week we have been forming the letter **m** using the letter formation phrase to help us.

During our maths sessions this week we have been exploring different representations of 10. We have been using the tens frame to find all the different ways of making 10 then recorded the different addition number sentences using the + and = signs. We have also been focusing on forming the numbers correctly using the number formation rhymes to help. Please click on the link below to share our number pairs song with you child.

[Number pairs to 10 song](#)

During our Enquiry Learning time this week we continued our learning all about Easter and what this means. We have enjoyed creating 'wanted' posters for the missing Easter bunny and made Easter cards for our families.

This week's 'Talking Topic' is:

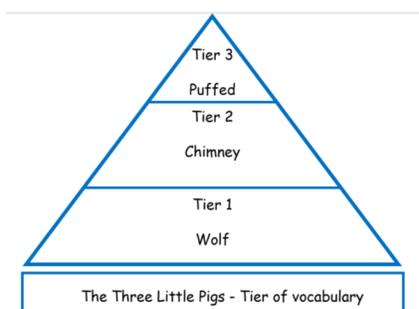

I can tell you all the different ways of making 10.

This week's word of the week is: **Season**

We have enjoyed sharing our class reader this week: **The Three Little Pigs**

Here are some of the words that we have been exploring from our class reader this week.

Thank you to Esmae's mum who was our mystery reader this week and did a wonderful job reading Esmae's favourite story. Also, thank you to Eloise's dad who came to talk to us about his job working as a Postman. We really enjoyed finding out about what it is like to work for the Royal Mail.

We hope you all have a happy and safe holiday and we look forward to welcoming you back to school on Monday 13th April.

Many thanks

Mrs Molloy, Miss Vine, Mrs Rothwell and the Reception staff team
