

## Welcome to Year 1

Welcome to Year One!

Attending school, on time, every day is essential for pupils to get the most out of their school experience. This includes your child's attainment and wellbeing. Research has found that the pupils with the highest attainment at the end of key stage 2 (year 6) have higher rates of attendance over the key stage compared to those with the lowest attainment. At Woodhouse, we aspire to high standards of attendance and punctuality for all pupils.

On a morning, the school gates open at 08:40 and the children are provided with morning work until 08.50. This additional learning time is valuable in addressing misconceptions and revising key concepts within the curriculum so a prompt arrival at school is helpful for your child. The school bell rings at 08:50 and the register is taken at 08:50. If your child is not in the classroom by this time, they are marked as late. If your child is too ill to attend school on a particular day, please email the school office or leave a voice mail by 09:20am so that this can be recorded. If your child's attendance or punctuality becomes a concern, a member of the senior leadership team will be in touch to discuss it further.

Both 1H and 1N will have indoor PE on **Mondays** and outdoor PE on **Fridays**. For indoor PE, the children will need a plain white T-shirt, blue shorts and black pumps. For outdoor PE, they will need a plain dark coloured track suit and a pair of trainers. Please could we request that all items of clothing and PE/swimming kits are clearly labelled with your child's name, in order to ensure that lost items can be returned.

On a Friday, we will send each child home with their 'Home Learning' folders. This is the system we use in Year 1 for homework. New Home Learning will be sent out at the end of the week and once completed it will be checked by a school adult every Thursday. We recommend that you take the time to help your child complete as much of it as they can, as it helps to consolidate what has been taught in class. The Word Box part of the Home Learning sheet is similar to the Reception word lists; your child needs to be able to read each word. If they find this very easy, please encourage them to practise spelling the words too. The spellings in the Home Learning folder will be tested every week and both classes will be tested on a **Thursday**.

On a Monday, Wednesday and Friday, your child will participate in a Little Wandle reading group. After your child has read their book in the practice sessions, it will be sent home for your child to practise independent reading. In order to ensure confidence, fluency and comprehension are well established, it is important this book is read at home daily. At Woodhouse, we encourage all pupils to be reading at home for pleasure as well as the school's reading books.

The Home/School link books (Orange) will continue to be used in Y1 for any messages. However, if you need to share an urgent message that needs to be passed onto your child's teacher at the start of the school day, please phone and leave a message with the school office.

Many Thanks
