

Dear Parent/Carers,

In English, we created a set of instructions for our overnight oats healthy breakfast snack. We thought carefully about the features of instructions including time openers and we tried to use a range of conjunctions.

In Maths lessons, we have recapped on some of the properties of 2D and 3D shapes. We looked at a range of shapes and had a go at describing the properties.

On the next page, we have created a 'homework' sheet for you to have a go at if you are stuck for ideas in the holiday. Please keep up the hard work with regular reading at home and any opportunities to use maths and writing at home.

Thank You!

We would like to take this opportunity to thank the children for all their hard work this year and to also thank parents, carers and friends for all of your continued support.

Have a great holiday, stay safe and enjoy times with your families.

Thank you for your support,

Mrs Hardcastle, Mr Bale and the Year 2 Team
