Friday 25th September

Dear Parent/Carers,

Our spellings for next Thursday's quiz are:

This week's sounds: alternative oo air ur ow

Spellings

useful	share	world	mouth
circle	true	about	where

Tricky words

their	through
-------	---------

In English, we used last week's planning and wrote our own version of 'How Coyote Brought Fire to Earth'. We used our planning to write an exciting middle part of the story where a new animal passes the fire to a different animal. The children used some fabulous vocabulary to describe the five senses.

In Maths this week, the children have been learning about different ways that a number can be partitioned.

$$\begin{aligned} 57 &= 50 + 7 \\ 57 &= 40 + 17 \\ 57 &= 30 + 27 \\ 57 &= 20 + 37 \\ 57 &= 10 + 47 \end{aligned}$$

Many children were able to spot the pattern and use this to help them. We recognised that the tens digits was the only thing changing because one ten was "moving across" each time. The ones digit stayed the same.

We have also revisited counting in twos. If you know that this is something that your child struggles with then please have a look at the number line below.

In Art next week, we invite the children to each bring in a small, soft teddy which they will sketch. This will need to be in school on **Wednesday 30th September**. It will stay in their bag until the afternoon lesson and it will then be returned home on the same day

Thank you as always.

Miss Parker and Mrs Keane 😊
