Year 2 Newsletter 9

Friday 13th November

Dear Parent/Carers,

Spellings: 12.11.26 **Test: 19.11.26**

This week's focus: k, ck, ch, tch

sock	thick	cloak	tusk	pitch
match	scratch	lunch	beach	much

In English this week, we have created our own witches! We have seen a variety of different types of witches such as Forest Witches, Jungle Witches, Arctic Witches and Desert Witches. We have then decided what they look like, where they live and what behaviours they have. The children have enjoyed being creative and linking their personalities and likes and dislikes to where they live. This has helped us create our own information text and write an introduction, appearance and habitat.

In our Maths lessons this week we have continued to use the column addition to add two numbers together.

a)	T	O			b)	T	O		
	3	2				6	4		
+	1	4			+	2	3		

In our DT lessons, we will soon be creating our very own fairground wheels! To be able to do this, we will each need a small cardboard box. If you have any cardboard boxes that are ready for recycling (easy for a child to cut!) we would massively appreciate these.

In History, we have started our unit on how schools have changed from the past to now. It would be great for grandparents to share their experiences of school with your child so they can talk about what's stayed the same and what's changed. We'd love to see if any old photos if you have any!

Thank you for your continued support.

Miss Parker and Mrs Keane 😊
