

WOODHOUSE PRIMARY SCHOOL

Vision, aims, motto and values for 2025-26

Our vision for 2024/25 continues to be to balance our academic ambition for each child with a determination to nurture their well-being. Our six half-termly values remain at the heart of this vision.

Vision

At Woodhouse Primary School we aim to provide a welcoming, safe and caring environment where everybody is encouraged and enabled to become successful, resilient and confident learners. We have high expectations and work collaboratively enabling our pupils to have a good understanding of the world in which they are growing up. We encourage our pupils to think for themselves and respect others, thus enabling them to build on their growing knowledge and be responsible, self-assured citizens.

Aims

United: To celebrate our social and cultural diversity so that everyone feels valued and respected

Creative: To offer a curriculum which is relevant and creative; promoting high quality learning which challenges and develops all our pupils' talents and gifts enabling them to reach their full potential

Bold: To provide learning experiences, both inside and outside the classroom, which promote and develop pupils' independence and resilience

Safe: To provide a caring, secure and nurturing environment where all can learn, work or play with confidence

Healthy: To provide opportunities for pupils to develop healthy lifestyles and thereby promote physical, spiritual and emotional well – being.

Caring: To respect and value ourselves and others in the community by displaying positive attitudes, pride in our school, appreciation of each other and challenging negative influences and behaviour

In addition to covering the National Curriculum, our curriculum aims to address issues which are pertinent to Woodhouse and develop the cultural capital of our pupils:

- We want our children to understand the factors that affect their physical skills, self – esteem and emotional well-being so that they are able to recognise the importance of pursuing a healthy lifestyle and develop coping strategies to keep themselves safe and healthy
- We need to enable our children to develop self - awareness in order to take more responsibility for their decisions and actions and minimise over reliance on adults

Motto

Achieving Success together
