

Dear Parent/Carers,

Our spellings for Monday's quiz are:

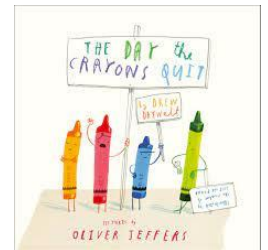

When do I swap, double or drop letters before adding a suffix? (-er, -est, -ed, -ing, -y)

Year 2 Common Exception Words

because	behind	driest	worrying
copied	biggest		

This week we have been incredibly proud of how well the children took on the challenge of assessment week and it has been lovely to see them confidently applying all the strategies that they have been taught so far in Year 2. Well done to all of them!

In English this week, we have started to create our own letters from pieces of school equipment that want to quit! We have had taps quitting because they are banged on their heads, we have had paper towels quitting because they get soaking wet and we have had pens quitting because they sometimes don't have the lids put back on correctly. From these creative ideas, we have written some excellent letters that are full of thoughts and emotions and are certainly in the style of Drew Daywalt.

In Computing, we have continued our work on coding. Coding can be a very tricky skill for children to learn. It forms a very large part of our Computing curriculum and children are able to build on their skills each year. Below are just some of the Purple Mash coding programmes that we use in year 2.

Thank you to everyone who was able to come and support our Summer Fair. We really appreciate the support.

Mrs Hardcastle, Mr Bale and the Year 2 Team
