

Year 2 Newsletter 10

Friday 21st November

Dear Parent/Carers,

Spellings: 17.11.25

Test: 24.11.25

This week's focus: -s and -es

snacks	books	birds	chairs
boxes	brushes	wishes	itches

In English this week, we have created our own witches! We have seen a variety of different types of witches such as Forest Witches, Jungle Witches, Arctic Witches and Desert Witches. We have then decided what they look like, where they live and what behaviours they have. The children have enjoyed being creative and linking their personalities and likes and dislikes to where they live. This has helped us create our own information text and write an introduction, appearance and habitat.

In our Maths lessons this week we have continued to look at crossing the tens boundary when adding.

1. First, we must count the ones and recognise that there are more than 9 ones. We know that we can only have a maximum of 9 in the ones column once we have added the ones together.
2. Then, once we have added the ones (in this example there are 12), we must exchange ten ones for one ten. We set it out like this:

a)	T	0	
	3	7	
+	2	5	
	6	2	
	1		

T	0
3	7
+	2 5

a)	T	0		b)	T	0		c)	T	0		d)	T	0	
	3	4			1	8			2	7			5	2	
+	2	9		+	1	7		+	3	5		+	1	8	

In our DT lessons, we will soon be creating our very own fairground wheels! To be able to do this, we will each need a small cardboard box. If you have any cardboard boxes that are ready for recycling (smaller than a cereal box and around the size of an icing sugar box), we would massively appreciate these.

We would also like to say a big thank you to all those in 2B who have kindly donated for our Friday Bake Sale.

Thank you for your continued support.

Mr Bale, Mrs Hardcastle, Mrs Hirst, Mrs Hodgson and the Year 2 team 😊
