

Year 2 Newsletter 4

Friday 2nd October

Dear Parent/Carers,

In our Phonics lessons this week, we have recapped the alternative phase 5 graphemes for the j, s, and alternative short vowel sounds (e, i, o, u).

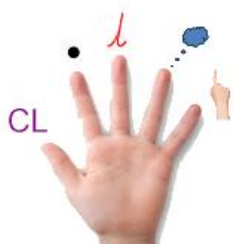

Our spellings for next Thursday's quiz are:

Spellings

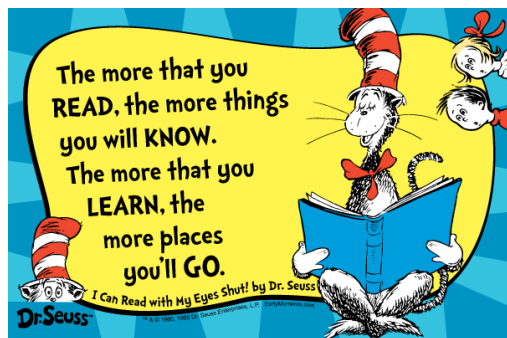

badge	listen	castle	instead
colour	young	charge	mother

Tricky words

once	because	pretty
------	---------	--------

In English, we started our new unit of learning based on 'Instructions'. The children read a set of instructions called 'How to Defeat Fire Giants' and learnt this from memory. Following this, we looked at how imperative (bossy) verbs are used in instructions and how coordinating conjunctions (and, so, but) can be used to add extra detail. Ask your child to recall these instructions by acting out each step.

At the moment in Year 2, all children read in reading groups three times a week and this allows everyone to become familiar with their book and practise at their own stage. Regular reading is so important to develop a child's fluency (ability to read without undue hesitation), automaticity (ability to recognise words) and comprehension (ability to understand what they are reading). Your child should be reading their book daily for at least 10 minutes. Please remember to sign the reading diary when you've read with your child so we can praise them for their hard work!

In Maths this week, the children have been comparing numbers using the less than, greater than and equals signs. We then ordered a set of numbers from smallest to largest or largest to smallest. We learnt that the first digit that we look at when ordering numbers is the tens digit and that we only have to look at the ones digit if the tens are the same. The children have become experts at explaining how they know a number is smaller/larger using the correct mathematical language!

Have a lovely weekend,

Miss Parker and Mrs Keane 😊
