

Dear Parent/Carers,

Our spellings for Monday's quiz are:

Adding the -er and -est suffixes.

Please practise **both** spellings.

colder coldest	kinder kindest	bigger biggest	hotter hottest
larger largest	braver bravest	heavier heaviest	greater greatest

In English this week, we have continued our work based on the story 'Traction Man' and we have written our own version of a new story set at a beach. We have planned our problem in the story and how this will be solved using drawings and key vocabulary. Ask your child how is Traction Man going to save the day and we are sure you will hear some exciting responses.

In Maths, we have learnt what a fraction is: **a part of a whole**. We have looked at fractions of shapes and patterns. The children now know that the top number in a fraction is called the **numerator** which tells us how many parts we have, and the bottom number is the **denominator** which tells us how many parts the whole is divided into. So far, we have looked at halves, quarters and thirds. Below are some examples:

	$\frac{1}{2}$	Not $\frac{1}{2}$
		
		
		
		

	$\frac{1}{4}$	Not $\frac{1}{4}$
		
		
		
		

Congratulations to Florence (2S), Xavier (2S), Siena (2B) and Freddie H (2B) who were elected as our new Year 2 school council representatives. Thank you to the previous school council members who have served so brilliantly during their time "in office".

Just another reminder about making sure that all clothes are clearly labelled. After swimming and PE, it is difficult for us to see who has misplaced their clothing when it hasn't been labelled so please could we ask that you double check your child's uniform. Thank you for supporting us with this.

Please note – the visit to ROKT is taking place on Friday 28 March. Please can consent & payment be given by Fri 21 March. Thank you.

Thank you for your continued support,
Miss Stephenson, Mr Bale and the Year 2 Team
