

Dear Parent/Carers,

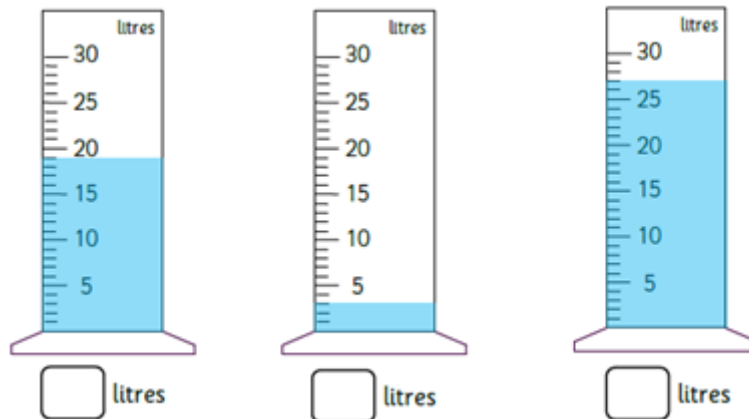

Our spellings for Monday's quiz are:

Words with a short vowel sound end with 'ck' and words with a long vowel sound end with 'k'.

duck	pick	talk	walk
cold	climb	steak	break

In English this week, we have read the book 'Meerkat Mail'. In this story, a meerkat writes postcards to his family explaining his adventures to other parts of the world. Sunny, the meerkat, enjoys certain parts of his day at places but mainly struggles adjusting to different settings. In the postcards, he explains his thoughts and feelings about certain aspects of the day and these are the features we are going to be including in our writing when we move onto postcard writing.

In Maths, we have looked at capacity and learnt how to measure capacity (by using a jug and reading scales of 1s, 2s, 5s and 10s). We started by measuring different amounts of water. If you have a measuring jug at home, perhaps you could take a few minutes to look at the scale and practise measuring some amounts of different liquids.

In Geography, we have been exploring the coastal town of Weymouth, along the Jurassic Coast. We explored the different physical and human features and talked about why people may want to visit the town.

We then had a go at making a radio advert, to encourage people to visit. The children did a great job with this and were able to use their speaking and listening skills effectively.

Just for your information, Year 2 will be unable to swim in the pool on Friday 23rd May so this has been rescheduled for **Monday 19th May** instead.

Thank you for your support,

Mr Bale, Miss Stephenson and the Year 2 Team
